

JEREMI

Lingerie

A watercolor illustration of various flowers and leaves in shades of pink, purple, blue, and green, set against a light pink background. The flowers are rendered with soft, blended colors and visible brushstrokes, giving them a delicate and artistic appearance. The leaves are in various shades of green and blue, some with darker edges. The overall composition is a dense, overlapping arrangement of these elements.

A watercolor illustration of various flowers and leaves in shades of pink, purple, blue, and green, set against a light pink background. The flowers are rendered with soft, blended colors and visible brushstrokes, giving them a delicate and artistic appearance. The leaves are also painted with soft watercolor washes, some in deep blues and greens, others in lighter tones. The overall composition is a dense, artistic floral arrangement.
